## San Antonio Food Bank: Virtual Team Fundraiser

A virtual fundraising Team Page offers the ability to reach a shared monetary donation goal, but have separate Teams contribute to that amount. The Team Home Page is the main landing page that tracks the shared donation amount, while also showcasing which individual Team donated.

### How It Works:

Each individual Team has their own customized landing page that then contributes directly to the Team Home Page and overall amount. You can designate someone from each Team to take ownership of their individual Team page and share within their community.

**As donations are made to individual Team pages, the amount will also be added to the Team Home Page total**

---

**Joining a Team Homepage:** Visit [www.my.safoodbank.org/fastingfriday](http://www.my.safoodbank.org/fastingfriday), scroll down and click "JOIN OUR TEAM". From there, you will register and customize your team landing page (dashboard on the right side of the page). Don't forget you have to verify your email address to make the page live.

**Questions? Please Contact [fooddrives@safoodbank.org](mailto:fooddrives@safoodbank.org)**
